Table 3b. Impact of the plan (quantitative)

Please provide a brief description and estimate of the impact of the plan and its components (or most important measures).
The row 'Overall plan' (row 6) should not be deleted but used. The examples below should be deleted.

Component Number	Component	Channels of impact *Detailed description of the channels through which the measures deliver the expected impact*	Risks/Challenges	Quantification of the impact (if available) *i.e. % difference from policy neutral baseline*								
				Short-term (2 years ahead)			Medium-term (5 years ahead)			Long-term (20 years ahead)		
				GDP	Employment	Budget balance (pps)	GDP	Employment	Budget balance (pps)	GDP	Employment	Budget balance (pps)
0	0 - Overall	Free text	Free text									
1	1 - Example: Labour market	Free text	Free text									
2	2 - Example: Housing market	Free text	Free text									
3	3 - Example: Digital plan	Free text	Free text
